The Veeko 110 is a great entry-level hoverboard with features like oversized foot pads for improved control and cool blue LED headlights for visibility in the dark. Like all Veeko hoverboards, the Veeko 110 is UL2272 certified for electrical safety and peace of mind. Cruise around at speeds up to 6 miles per hour – great for riding at the park or around the neighborhood!

Dual 250W motors

- Reach speeds up to 6 mph.

Battery level indicator

- Shows how much power is left.

Built-in 36V rechargeable battery

- Provides a range up to 7 miles.

Self-balancing scooter

- Perfect for beginner riders.

LED headlights

- Ensure visibility in the dark.

Anti-slip foot pads

- Offer improved control and added versatility.

Natural rubber tires

- Feature tread for better road grip.

Bid with confidence, check our feedback and know that we guarantee customer satisfaction by offering a full refund if you are not happy with your purchase.

Payment

We accept Paypal for payment of our auctions and ask for payment within 3 days of the end of each auction. After that time we will open an unpaid item case through eBay.

For Buy It Now items we require immediate payment.

Shipping

We promise to ship your item within 1 business day. We actually strive to ship your item the same day as your payment is received and often are able to do this. If not we will ship your item the very next business day. We use the United States Postal Service for most of our shipping but often will give you the option of choosing UPS or FEDEX for continental United States delivery for larger items.

We do offer combined shipping for multiple items purchased. Please, if you purchase more than one item from us wait for an invoice so we can combine shipping costs.

We will use the option (FEDEX, USPS or UPS) that is the most economical to your location. When we charge shipping to our customers we only pass on to our buyers exact shipping costs - there are no added fees.

We require signature confirmation and insurance on all items that sell for \$250.00 or more. This allows buyer and seller protection through Paypal and eBay.

PLEASE NOTE: WE DO NOT SHIP ON HOLIDAYS OR WEEKENDS!

International Buyers Please Note:

Import duties, taxes, and charges are not included in the item price or shipping cost. These charges are the buyer's responsibility. Please check with your country's customs office to determine what these additional costs will be prior to bidding or buying. Customs fees are normally charged by the shipping company or collected when you pick the item up. These fees are not additional shipping charges. We won't under-value merchandise or mark the item as a gift on customs forms. Doing that is against U.S. and international laws.

We use the eBay Global Shipping program for international shipping.

About Us

Customer service is our #1 priority! We want you to be a satisfied and returning customer.

If for any reason you are dissatisfied with your purchase we offer a 30 day money back guarantee on our products unless otherwise noted in the listing (AS-IS/For Parts Repair - No returns.) We will only accept items back in the condition that they were sent to you.

WE ARE NOT AUTHORIZED RESELLERS FOR ANY MANUFACTURER.

A restocking fee may apply on returned items.

WE DO NOT accept returns on items that are marked as "Final Sale" or "As Is".

WE ARE NOT AUTHORIZED RESELLERS FOR ANY MANUFACTURER.

A restocking fee may apply on returned items.

We DO NOT accept returns on any personal items,
 i.e. Headphones, AirPods, or like items as outlined

Our Electric Scooter gives a much more stable ride and a faster response, making it safer and easier to control. Users can control the board to go forward, accelerate, and decelerate simply by leaning forward or leaning backwards. The double balancing technology allows for easy turns, rotation, acceleration and smooth drifting around corners with ease! You can also stand still on it and even turn 360 degrees in a spot. Just step on, you will be able to ride it in minutes, the typical learning curve is only 3-5 minutes.

Features

- Safety UL Certified Battery
- Adopting top-notch technology
- Super quiet electric engine offers long-lasting high power
- High speed, stable performance
- High strength ABS material is tough and durable
- Impact-resistant mudguard over two wheels, non-slip rubber pedal mat
- Waterproof, dustproof cap on the charging port
- Inbuilt 4400mAh battery lasts for hours of ride at one full charge
- Sleek design, lightweight, easy to carry

Colors: Chrome Metallic Silver
